1. Pendant: Roll 4 red 3/8" ropes and 4 white 3/8" ropes. Place them next to each other alternately and roll into a flat sheet about 1/8" thick. Cut with Heart Clay Cutter. Roll Blue clay to 1/8" thick and cut with Heart Clay Cutter. Cut left upper corner off striped heart. Lay on top of blue heart and cut out exact size corner piece. Place blue corner piece in missing corner of striped heart. Roll small piece of white clay to 1/8" thick and cut small star from Mini Geo Cutter Set. Put on blue part of heart. Roll pendant lightly to blend edges together. Make hole in top of pendant. Dry completely.

2. Polka Dot Beads: Roll blue clay into a ball. Make several tiny balls of white. Lightly press the white balls onto the blue ball. Roll the ball to gently smooth it. Poke a hole through the bead from both directions using a toothpick. Make ten polka dot beads. Let dry.

3. Roll 3 white ropes and 3 red ropes. Place alternately side by side and roll flat. Cut into approximately 1" sections (this will vary depending on how large you want the hole) and wrap around a small dowel rod blending edges together. Slide gently off dowel to dry. Make eight cylinder beads. Let dry.

Final. Cut 1 yard of hemp. Fold in half and push fold from front to back through hole in heart. Put ends of hemp through loop created. Pull snugly. String polka dot bead on one side of necklace and tie a knot. Repeat steps using Polka Dot beads and four cylinder beads per side. Repeat bead stringing on other side of necklace. Measure to fit easily over your head and tie the two strings together. Cut off extra hemp if desired.
