

## Basket

Make it yourself with **Makin's Clay™**!

Designed by **Greensward** Design Team

**Skill Level** - Easy

**Time to Complete** - 1 hour

(Does not include drying time)

### Supplies:

#### \* **Makin's Clay™ - The No Bake Clay™**

\* No Kneading, conditioning, or baking required!

- 60g White clay
- 60g Red clay
- 60g Green clay

### Recommended Tools:

- **Makin's Brand™** Extruder

### Other Materials:

- White Glue (We recommend Crafter's Pick™ Incredibly Tacky)

**1.** Use the **Makin's Brand™** Extruder, make six long logs of Red clay with 5mm diameter, and do the same by White clay.

#### Step 1

**2.** Twist a White clay log and a Red clay log together to form one single log with even thickness, repeat to make five logs of White and Red clay's combination, each of them with larger diameter than the previous one. The smallest one is the base of the basket, keep no space between when you coil.

#### Step 2

**3.** Coil each log and secure them with white glue. Five coiled clay with different diameter are made.

**Step 3**

**4.** Stack and glue them up with smallest one at bottom and largest one on the top.

**Step 4**

**5.** Make one long log of Green clay with the **Makin's Brand™** Extruder, twist a Green clay log, a Red clay log and White clay log together to form the handle, make it in even thickness.

**Step 5**

**F**inal. Attach the handle on the basket and secure with white glue.

**Step 6**
