

## Antique 3D Mold Bracelet

Make it yourself with **Makin's Clay™**!

Designed by **Greensward** Design Team

**Skill Level** - Intermediate

**Time to Complete** - 2~3 days

(Does not include drying time)

### Supplies:

#### \* Makin's Clay™ - The No Bake Clay™

\* No Kneading, conditioning, or baking required!

- 180g Natural clay
- 60g Black clay
- 60g Brown clay

### Recommended Tools:

- **Makin's Brand™** Mallet
- **Makin's Brand™** Chisel

### Other Materials:

- Acrylic Paint: Bronze (Americana® Acrylic Paint)
- Acrylic Paint: Gold (Americana® Acrylic Paint)
- Fishline
- Beads in different shapes
- Tiny Silver Beads
- Brushes
- Corn Starch

**1.** Make a mold of the bead, make it 5mm larger in size around the bead and the mold should up to a half of the bead. Poke 4 holes at each of the four corners. Repeat this step to make another mold for the other side of the bead. Create molds from different shapes of the beads as many as you like.

### Step 1

**2.** Let the molds dry, it takes around 1 to 2 days. Brush a layer of cornstarch on each mold.

**Step 2**

**3.** Use Brown and Black clay with size a bit larger than the bean and press it into the mold, place two molds together and press them to form the clay bean.

**Step 3**

**4.** Open the mold and cut the excess by the **Makin's Brand™** Mallet.

**Step 4**

**5.** Brush gold and bronze paint slightly.

**Step 5**

**F**inal. Use fishline to string the clay beans, tiny silver beads together in alternate. The number of clay beads should tailored for your own needs.

**Step 6**
