Reference Outline

This is NOT actual size, please use as reference only.

1. For the face, follow the outline and make two White clay sheets and one Red clay sheet with 4mm thick each while the Red clay sheet should be slightly smaller than both White clay sheets. Stack them in order of White, Red and White, then stick them with white glue. Make two small rectangular sheets of Black clay with 12mm thick and cut them into cross shape for the eyes. Use Pink clay, make a T-shape like to form the nose and eyebrows.

Step 1

2. Roll Yellow, Red and Green clay sheets with 12mm (W). Stack a Yellow and a Red clay sheets together and roll them into a roll, it should be 6mm in diameter and 12mm in height, the number of rolls is depending on the shape and size of the hat. Repeat this step with Yellow and Green clay sheets to make rolls for the collar.

Step 2

3. The thickness of the clown is around 12mm, allow to dry for 2 hours.

Step 3

4. Use cutter to cut it in half horizontally.

Step 4

Final. Pick the side with better and clear details, show the smooth side up and glue the badge at the back with white glue.

Step 5
