- 60g Red Clay
- 60g Black Clay
- 60g Blue Clay
- 60g Natural Clay

Recommended Tools:

- * **Makin's Brand Clay Tool Set**

Other Materials:

- * White candle
- * Silver eyelets
- * Small gauge silver wire
- * Wire cutters
- * Needle nose pliers

1. Mix Blue Clay with a small amount of Black Clay to make the navy blue color. Mix Red Clay with small amount of Black Clay to get a country red color. Roll each color out into flat sheet, approximately 1/8" thick. Using the Clay Tool Set with serrated edge, cut 4-5 rectangles of the Red Clay and the Blue Clay approximately 3/4"x1-1/4". Use tool with sharp point to make small holes on the right and left side of the rectangles, approximately 1/8" from right and left middle edges.

2. Place silver eyelets in holes (use tiny bit of adhesive in each hole to ensure that the eyelets will stay firmly). Roll out Natural Clay into 1/8" thick, flat sheet, and cut several small stars. Dampen back of each star with sponge. Place stars on center of rectangles in between eyelets. Let dry.

Final. Using 2" sections of wire, attach rectangles together, alternating red and blue. Use needle nose pliers to twist wire and curl ends. Use wire cutters to trim excess as needed. Place around candle and twist wires together at back.

Your pretty candle decoration is now ready to light up spiritual room.
