

## Suction Hook

This cute suction hook can make your home more fantastic!  
Make it yourself with **Makin's Clay™**!

Designed by **Greensward** Design Team

**Skill Level** - Intermediate

**Time to Complete** - 1 hour each  
(Does not include drying time)

### Supplies:

#### \* Makin's Clay™ - The No Bake Clay™

- \* No Kneading, conditioning, or baking required!
- 60g Yellow clay

#### Recommended Tools:

- Makin's Brand™ Mallet

#### Other Materials:

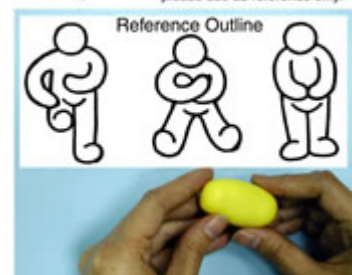

- White Glue (We recommend Crafter's Crafter's Pick™ Incredibly Tacky)
- Plastic Suction Hook

- 1.** Take out about 3/4 of the clay from a pack of 120g Makin's Yellow Clay, wrap up the remaining clay and place in a plastic bag for future use. Roll out a rectangle (45mm (L) x 22mm (W)) with a thickness of 12mm.

### Step 1

This is NOT actual size, please use as reference only.

**2.** Use plastic suction hook to make a hole in the previously made pendant. Take out a little of Yellow Clay to make the head (14mm diameter).

### Step 2

**3.** Use **Makin's Brand™** Mallet to cut the pendant's center point to make the legs.

### Step 3

**4.** Use **Makin's Brand™** Mallet to smooth the legs.

### Step 4

**5.** Pierce a curve to separate the legs using **Makin's Brand™** Mallet.

### Step 5

**6.** Take out a little of Yellow Clay to make the hands (35mm diameter) and use **Makin's Brand™** Mallet to smooth them. Stick hands with white glue.

### Step 6

**7.** Use **Makin's Brand™** Mallet to make different pictures for the hands.

**8.** Stick the left hand and the right hand together with white glue.

**9.** Stick the head on the top of the body using white glue.

**10.** Use your hand to stabilize the head and the body.

**11.** Insert part of the plastic suction hook into the back of the pendant.

**F**inal. Repeat the above procedure to make two more pendants of different shapes if you like.

### Step 12

These new suction hooks are ready to be displayed in your home!
