### Reference Outline

This is NOT actual size, please use as reference only.

**1.** Apply a layer of diluted white glue on the sketch paper. Roll out a White Clay sheet of 153mm (W)x 102mm (H) and 2mm thick.

**Step 1**

**2.** Mix with Green and Blue Clay in the proportion of 2:1 to create Dark Green clay, and apply with Light Green and then White clay. Keep the texture to obtain an oil painting-like effect. Use **Makin's Brand™** Chisel to level down the White Clay and shape a rough snowy ground.

**Step 2**

**3.** Use **Makin's Brand™** Rasp to make line pattern on the snowy mountain horizontally. Add a small amount of gray clay (with proportion of W4: B1) on the bottom of the mountain then layer White Clay on top of it.

**Step 3**

**4.** Mix White Clay and Blue Clay with proportion of 3:1, use **Makin's Brand™** Rasp to smooth down the light blue clay as sky.

**Step 4**

**5.** Add White Clay to make the clouds. Glue the whole clay 'scene' on a black cardboard as the background.

**Step 5**

**6.** Use **Makin's Brand™** Roller to roll a small blue clay sheet of 2mm thick. Make a 3mm thick White Clay roll by freehand and shape the words, then, glue the words on the Blue Clay background.

**Step 6**

**F**inal. Glue the word pieces on the clay 'scene' and add your favorite photos on top of it.

**Step 7**
