2. For Planets: to marble clay, take the clay colors you want and roll into ropes. Twist the ropes together and slightly blend the clay together to marble it. Stop when you like the way it looks. Roll clay flat and cut with circle cutter. Leave plain, texture with texture sheet or make craters using chisel tool.

3. For Spaceship: mix Black Clay and White Clay to make gray. Roll clay to 1/8"-1/4" thick. Cut out spaceship using pattern. Roll Black Clay to 1/8" thick. Cut out band using pattern. Place band on spaceship. Press in rhinestones and texture spaceship using chisel tool.

4. For Alien: mix Green Clay with small amount of Black Clay until well blended. Mix newly blended Dark Green with Green until marbled as desired. Roll marbled green to 1/8"-1/4" thick. Cut out alien pieces, lightly marking overlap areas. Put alien together and press in eyes on face and Treasure Beadz on fingers. Roll a thin rope of the marbled green and form mouth on face. Make nose holes.

5. Wait around 20-30 minutes for the log to dry and then slice into flower shapes of 1~2 mm thickness.

Final. For Stars: mix glitter into Yellow Clay if desired. Roll clay to 1/8"-1/4" thick. Cut out stars using smallest Star Clay Cutter and

star from Mini Geo Set. And allow to dry completely.
