1. Shape half inch ball each of Red, Green and Blue Clay. Roll into 2" long cylinders, and slightly indent/taper one end. Gently press lines onto top of each candle with Clay Tool Set, at slight angle. Shape three 1/8" yellow balls of clay into teardrop shapes. When pieces are dry, lightly paint small amount of darker yellow onto teardrop shapes. With almost dry brush and very little white paint, lightly brush white paint onto top of candles in between lines..

2. Cut light color cardstock into 8-1/2"x5 -1/2" rectangle. Fold in half. Cut 5-1/2"x2 -1/4" piece of yellow patterned paper. Cut 1/2"x5 1/2" red strip. Cut 1 3/4"x5 1/2" piece from solid blue paper. Cut a 3 3/4"x3" rectangle. Cut a 2-3/4"x3 1/2" light color cardstock rectangle. Punch small holes in each of the 4 corners on the light cardstock. Insert Bradletz. Then adhere this piece to the 3 3/4"x3" red rectangle. Adhere the yellow piece just over the back edge of the fold to the center of the front of the folded card. (Card should have fold a tip-horizontal). Adhere the red strip just overlapping the yellow in front center of cards. Blue paper should be adhered down to front bottom, and will just overlap the red strip.

Final. Using the craft cement, adhere the candles and flames to the front piece (piece with Bradletz in corners). Let dry. Adhere this piece on front, 1/2" from the right side of card.

Your pretty birthday card is now ready for your friends.
