60g Blue color Clay

60g Black color Clay

60g Natural color Clay

Recommended Tools:

- * **Makin's Brand** Clay Cutters (Stars)

- * **Makin's Brand** Clay Tool Set

Other Materials:

- * Red medium size candle

- * Silver Eyelets

- * Small gauge silver wire

- * Wire cutters

- * Needle nose pliers

1. Mix the Blue Clay with a small amount of Black Clay to make a navy blue color. Roll out into flat sheet approximately 1/8" thick. Using the **Makin's Brand** Clay Tool Set with serrated edge, cut 2"x1-1/2" rectangle. Use tool with sharp point to make small holes on the right and left side of the rectangle, approximately 1/4" from right and left middle edges.

2. Place silver eyelets in holes (dab a small amount of adhesive in holes with toothpick first to help eyelets hold). Roll out Natural

Clay into 1/8" thick flat sheet, and cut 1 medium star.

Final. When the clay is fairly dry, adhere star on center of rectangle in between eyelets. Cut 2 pieces of wire (approximately 6" long for each), and attach through eyelets when clay is almost dry. Loop wire around next to eyelets, and twist into small loops. Gently mould the rectangular decoration around candle and twist wires together at back. Let dry completely.

Your pretty candle decoration is now ready to light up spiritual room.
