Reference Outline

1. Take out about 1/2 of the clay from a pack of 60g Makin's Yellow Clay, roll it into a square shape (100mm(L) x 100mm(W)) and the thickness is 6mm using **Makin's Brand™** Roller. Wrap up the remaining clay and place in a plastic bag for future use.

Step 1

2. Use the **Makin's Brand™** Mallet to cut the star shape (80mm(L) x 80 mm (W) x 6mm thick). Make holes (2mm diameter) on both left hand side & right hand side using **Makin's Brand™** Chisel. Then, follow the outline, use your fingers to squeeze & reduce one side of the clay 'loaf' into a star shape.

Step 2

3. Use Makin's White Clay to make the faces for the snowmen.

Step 3

4. Mix Makin's Red Clay with Makin's Yellow Clay (1:4 ratio) to generate the orange color. Then, cut the shape of noses and stick on the face of the snowmen. Use the **Makin's Brand™** Chisel to make 4-5 holes as the months.

Step 4

5. Use the white glue to stick each part of the snowmen on the star.

Step 5

6. Use Makin's Mixed color Clay to prepare the hats & accessories (color depends on your own decision), and then stick on the star.

Step 6

Final. Use the black pen to write down the words. Thread the gold thin rope through 8 tow holes. Finish.

Step 7

Your new family ornament decoration is now ready to be hung in your home!
